6. **A BILL TO FUND THE PILOT PROGRAM FOR BEAN TO-GO CUPS.**

7.

8. *WHEREAS*, students on-campus appreciate disposable cups for convenience.

9.

10. *WHEREAS*, the World Famous Bean once provided students with styrofoam cups when the washing machine was out of service.

11.

12. *WHEREAS*, the cups would be paper material to be more environmentally conscious than other options such as plastic or styrofoam.

13.

14. *WHEREAS*, the reusable cups will remain in use for those who do not plan on taking a cup to-go.

15.

16. *WHEREAS*, there has been a noticeable problem with students taking the reusable cups to-go and never returning them.

17.

18. *WHEREAS*, Chartwells has agreed to fund the to-go cups after the initial pilot program, contingent on SGA helping fund the pilot program.

19.

20. *WHEREAS*, the pilot program will cost \$832.40.

21.

22. *BE IT ENACTED*, that the 101st senate provides the funding for the pilot program of to-go cups in the World Famous Bean for student convenience and to combat the issue of the reusable cups going missing.
